

Tapware to be used with recycled water systems must be identified by a purple colour coating and have non standard inlet thread connections and a removable handle. This in conjunction with the prohibition signs also provided within the kits, helps ensure recycled water is only used for its designated purposes.

Two kits are currently available to suit 15mm (1/2") and 20mm (3/4") diameter copper tube. One to suit stand pipe applications and the other through wall mounting in two different lengths to suit different wall penetrations.

Recycled Water Products

Stand pipe kits

The stand pipe kit is designed for post mounting in an open garden area.

This kit can also be mounted against an existing wall with the plumbing exposed on the face of the wall.

Code	Description
7255	15MM STAND PIPE KIT 1 x 5/8" MALE PURPLE HOSE TAP WITH REMOVABLE HANDLE 1 x 5/8" FEMALE x 1/2" CAPILLARY LUGGED ELBOW 1 x 5/8" BRASS PLUG 1 X PROHIBITION SIGN
7260	20MM STAND PIPE KIT 1 x 5/8" MALE PURPLE HOSE TAP WITH REMOVABLE HANDLE 1 x 5/8" FEMALE x 3/4" CAPILLARY LUGGED ELBOW 1 x 5/8" BRASS PLUG 1 X PROHIBITION SIGN

As a part of their initiatives to improve water conservation, state governments and local water authorities have committed to a strategy to increase the use of grey or recycled water.

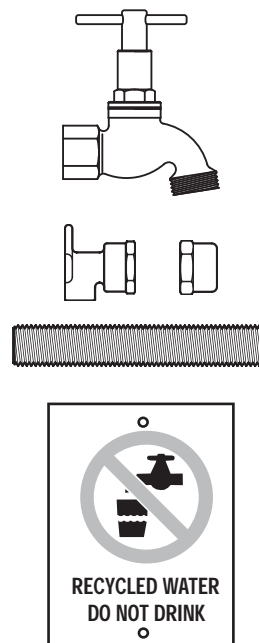

Through its introduction in new housing estates it is intended to utilise recycled water in applications such as toilet flushing and garden irrigation.

Ryemetal in conjunction with the Plumbing regulators and local water authorities, have developed a range of recycled water products designed to meet the specific requirements of AS 3500.

Wall mount kits

The wall mount kit is designed to allow the mounting of the plumbing for the tap to be concealed behind the wall.

The kit is supplied in two sizes with either a 150mm or 300mm allthread to allow for different wall depths.

Code	Description
7265	15MM X 150MM WALL MOUNT KIT 1 x 5/8" FEMALE PURPLE HOSE TAP WITH REMOVABLE HANDLE 1 x 5/8" FEMALE x 1/2" CAPILLARY LUGGED ELBOW 1 x 5/8" X 150MM BRASS ALLTHREAD 1 x 5/8" BRASS CAP 1 X PROHIBITION SIGN
